

FOODLIST

APP DE LISTA DE MERCADO

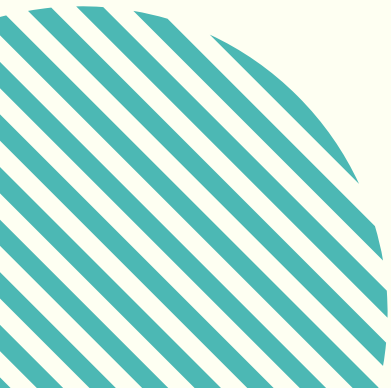

Motivação

O aplicativo FoodList foi desenvolvido com o intuito de ajudar na organização das compras no mercado. Com ele é possível criar listas organizadas, de fácil acesso e com um visual atraente.

O FoodList vem com a ideia de facilitar o dia a dia das pessoas na hora de anotar o que precisa comprar futuramente e não corre o risco de perder essas informações, como aconteceria se deixasse anotado apenas em uma folha de papel ou no bloco de notas do celular.

Funcionalidades

O aplicativo tem as seguintes telas:

- carregamento
 - login
 - cadastro
 - tela inicial com “lista geral” e “lista personalizada”
 - lista geral: adicionar, remover marcados, voltar;
 - lista personalizada: cozinha, banheiro, quarto, lavanderia
 - cada cômodo: adicionar, remover marcados, voltar;
- 
- 

Telas

1. carregamento

2. login

The login screen has a light green background. At the top center is the FoodList logo, which consists of a smiling avocado wearing a chef's hat and holding a shopping bag, with the word "FoodList" below it. Below the logo, the word "Login" is written in a large, pink, rounded font. There are two input fields: "E-mail" with the placeholder text "Digite seu e-mail" and "Senha" with the placeholder text "Digite sua senha". To the right of the password field is a link that says "Mostrar senha". Below the input fields is a checkbox labeled "Manter conectado". At the bottom, there is a large pink button labeled "ENTRAR". Below the button, there are two links: "Ainda não tem conta? Cadastre-se" and "Esqueci minha senha".

3. cadastro

The registration screen has a light green background. At the top center is the FoodList logo, which consists of a smiling avocado wearing a chef's hat and holding a shopping bag, with the word "FoodList" below it. Below the logo, the word "Cadastro" is written in a large, pink, rounded font. There are four input fields: "Nome" with the placeholder text "Digite seu nome", "E-mail" with the placeholder text "Digite seu e-mail", "Senha" with the placeholder text "Digite sua senha", and "Confirme sua senha" with the placeholder text "Confirme sua senha". To the right of the password and confirmation fields are links that say "Mostrar senha". Below the input fields is a large pink button labeled "CADASTRE-SE". At the bottom, there is a link that says "Já possui uma conta? Faça Login."

7. cozinha

The screenshot shows the 'Cozinha' (Kitchen) screen of the FoodList app. At the top is a pink header with the FoodList logo. Below it, the title 'Cozinha' is centered in a light green area. A white input field with the placeholder 'Adicionar item...' and a pink '+' button is positioned above a list. The list contains one item, 'arroz', with a checkbox to its left. At the bottom, there are two buttons: a pink 'Remover marcados' button and a dark blue 'Voltar' button.

10. lavanderia

The image shows a mobile application interface for 'FoodList'. The top header is pink and contains a circular logo with a green avocado character wearing a chef's hat, with the text 'FoodList' below it. The main content area has a light green background. At the top of this area, the word 'Lavanderia' is displayed in a bold, dark font. Below the title, there is a white rounded rectangular input field with the placeholder text 'Adicionar item...'. To the right of this field is a pink square button with a white plus sign '+'. At the bottom of the screen, there are two stacked buttons: a pink one labeled 'Remover marcados' and a dark blue one labeled 'Voltar'.

Separação das tarefas

Gabrielle:

- Carregamento
- Login
- Cadastro
- parte do Firebase

Giovani:

- Lista geral

Rayara:

- Home
- Lista personalizada
- cada lista dos cômodos

Monetização

Ideias futuras de motivação seriam colocar anúncios que não atrapalhassem a visualização do usuário e colocar avatares interativos personalizados que aparecem de uma forma mais dinâmica em cada cômodo de uma mini casinha, tendo que mudar o design da aplicação para isso.
